EXHIBITOR UPDATES:

The Center for Forensic Science Research and Education (BOOTH # 104)

The CFSRE conducts research, development, and new technology assessment, and delivers educational and training services for the forensic science community and beyond. Our educational programs include short-term placement for visiting scholars and researchers; partnerships to deliver degree programs at area universities; and continuing professional development for forensic scientists, law enforcement, and legal professionals. In addition, the CFSRE supports NAME, IACME, and all medicolegal death investigation communities in working to remediate the shortage of Forensic Pathologists in the workforce.

For more information visit: <https://www.cfsre.org/>

Nutwell Logistics (BOOTH # 108) – NO LONGER EXHIBITING
